

## Accessibility Advisory Committee

The Perth County Accessibility Advisory Committee (AAC) provides vision and advice to the Councils of the County of Perth and Member Municipalities to create an inclusive and accessible community.

The role of the AAC is to:

- Assist the Councils in preparing the annual Joint Accessibility Plan
- Advise the Councils on accessibility issues regarding buildings, structures and municipal premises
- Work with community groups regarding accessibility issues
- Educate and promote awareness for accessibility within the community

## Accomplishments

Since the Accessibility Advisory Committee first met in 2002, they have participated in the following projects:

- Annual Accessibility Plans
- Accessibility Audit of all municipally owned facilities
- Public Awareness Campaigns

## Meetings

The committee meets 4 times a year (March, June, September and December), on the first Thursday of the month. Meetings are open to the public and you're welcome to attend. Check the website for agendas and minutes.

## Participate

Help the Accessibility Advisory Committee improve accessibility in Perth County:

- Identify barriers in the County (physical, architectural, information or communications, attitudinal, technological, policy or practice)
- Suggest ways to improve accessibility
- Submit your ideas to the committee (contact information on the back of this pamphlet)
- Join the committee (membership is reviewed annually, watch for postings in your community papers or contact us to see if spots are available)

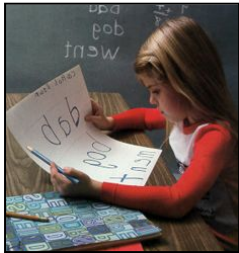

# Achieving Accessibility

By achieving accessibility, you will:

Promote full participation and inclusion in the community

Improve opportunities for people with disabilities to work, learn and play

Encourage increased tourism and retail sales
