Executive Summary

New proposed legislation named the Accessibility for Ontarians with Disabilities Act, 2005 (AODA), will replace the Ontarians with Disabilities Act, 2001. The scope of the AODA will be much broader than the previous legislation and will include the private sector for the first time, as well as government and the broader public sector. It will require demonstrated action, not just planning. It would also provide a clear vision with tangible standards to measure results. This will ultimately ensure improved opportunities for people with disabilities and to provide for their involvement in the identification, removal and prevention of barriers to their full participation in the life of the province. To this end, the AODA mandates that each municipality prepare an annual accessibility plan ensuring progress and obtaining mandatory standards every 5 years thus moving towards an accessible Ontario in 20 years.

This is a joint plan for the period 2007-2008, prepared by the Accessibility Advisory Committee (AAC) of the County of Perth and Member Municipalities. The report describes the measures/achievements over the past reporting period, and the measures that each member municipality will take during the current reporting period, to identify, remove and prevent barriers to people with disabilities who use the facilities and services, including Councils, staff, contract workers, contractors and members of the community.

In October 2002, Perth County Council supported the Provincial initiative and, with support of the lower tier municipalities, developed a joint (County-wide) Accessibility Advisory Committee comprised of approximately seven people, of whom the majority are persons with a disability, and which currently meet four times a year. The AAC assumed the lead for creating the accessibility plan for all local municipalities.

In turn in 2006, the Member Municipalities and the County assigned one staff representative each to an Administration for

Accessibility Committee (AFAC), an administrative group whose responsibilities include implementing the Joint Accessibility Plan, prepare policies and processes regarding the elimination of barriers, and forwarding recommendations to Council.

As the County, through its creation of a joint AAC, assumed the lead for creating the accessibility plan, it rightly follows that the initiative be supported and coordinated at the County level. The County Office of the Chief Administrative Official has assumed the secretarial role, and has reviewed the status of the initiative.

This report presents the following noted observations and planned actions for 2007 County Council consideration:

1. The AODA does allow two or more organizations to prepare joint plans. However, in doing so, there are a few things to note:
 - a. First, each partner must approve the joint plan,
 - b. Second, partners must put into practice their respective components of the plan.
 - c. Finally, each partner must make the plan public.
2. The AAC should assess the requirements of the new legislation and present a communiqué to the partners on its impact to future accessibility plans.
3. Given the impact of the AODA on the Ontario Planning Act and the Ontario Building Code, the AAC will continue to work with the County Planning Department to formalize a protocol for the AAC's effective involvement on planning matters pursuant to the AODA.
4. The 2007-2008 accessibility plan should endeavour to include a timetable for each municipality's review of the following:
 - a. Site plans
 - b. Building plans of new municipal facilities
 - c. Municipal by-laws

- d. Municipal renovations, leased offices or other municipal buildings
 - e. External service providers
 - f. Purchases – goods and/or services provided by the municipality
 - g. Employment practices and accommodations
 - h. Communications and publications
 - i. Planning practices
 - j. Current capital plan
 - k. Operational policies
5. The AAC should develop a protocol on working with municipal Councils and staff, and of its own self assessment.
6. Each municipality should make a determination on budgeting for accessibility. Some municipalities have a dedicated 'accessibility fund' integrated within their yearly budgeting process to ensure accessibility initiatives are implemented over a specific time period. As an alternative to establishing a dedicated accessibility fund, municipal departments may choose to incorporate accessibility budget planning within their regular budget planning process.
7. A Term of Reference for the AAC has been developed. See Appendix A.

PLANNING HISTORY:

2003-2004 Accessibility Plan	First plan since enabling legislation. Completion of facilities audit.
2004-2005 Accessibility Plan	Designation of Accountability. Implementation of Identified Barriers Identified as "Short Term".
2005-2006 Accessibility Plan	Address outstanding action items. Development and distribution of AAC information booklet.
2006-2007 Accessibility Plan	Address outstanding action items in accordance to new regulations as they become available. Budget process set accordingly. Implementation of Administration Committee.
2007-2008 Accessibility Plan	Address outstanding action items. Budget process set accordingly. Employee training, focus on service.

2007 - 2008 IMPLEMENTATION PLAN

1. Designation of Accountability

The County Office of the Chief Administrative Official has the designated responsibility for ensuring the overall requirements of the *Accessibility for Ontarians with Disabilities Act, 2005 (AODA)* and any future Ontario Regulations associated with the AODA.

Action by: Chief Administrative Officer
Timing: March 20, 2006
Funding required: 1/8 FTE for designated employee

2. Education

Provide education sessions to County and Lower Tier Councils & Staff on obligations and requirements under the AODA.

Action by: Designated Department Lead
Timing: Ongoing
Funding required: Staff Time

3. Policy and Process Development

Pending further direction from Provincial regulations and standards, develop accessibility policies and processes (communicated to all 5 municipalities) that address:

- a. Standardized access guidelines for the accessible design and construction of new County-wide facilities and amenities and for retrofitting existing facilities (Accessibility Guidelines developed);
- b. The methodology for identification and review of barriers as detailed in the Accessibility Plan;
- c. A process to review all by-laws, programs, policies, practices and services for the removal of barriers for persons with disabilities;

- d. A system for monitoring progress and budgetary requirements of annual Accessibility Plans goals and objectives;
- e. A timely and efficient process for ensuring continued consultation with the Accessibility Advisory Committee as required by the AODA and where appropriate to do so.
- f. Develop a protocol with Planning Dept in meeting the requirements of the AODA.

Action by: Designated Department Lead (with assistance from individual department Directors and/or Managers, as required)

Timing: Pending further direction from AODA regulations

Funding Required: Staff Time

4. Implementation of Identified Barriers Identified as “Short Term”

Encourage the removal of identified barriers that have little or no budgetary impact for 2007-2008.

Action by: Directors and/or Managers of individual County and Municipal Departments/business units

Timing: On-going throughout 2007-2008

Funding Required: Minimal

NOTE: The timing for addressing barriers is pending the provincial development of AODA regulations. Timing will also depend on the nature of the action, which may be phased in over a number of months or years depending on the resources and priorities of the respective department.

Municipal Highlights

This plan covers all of the municipal corporations within the County of Perth. In January of 1998, fourteen municipalities within the County of Perth were amalgamated to form four lower tier municipalities. Within all of these municipalities are recreation, fire and emergency medical services, planning and development, emergency management and public works departments. Social services are provided by the City of Stratford through agreement with the County of Perth and the Town of St Marys. The County of Perth is the designated delivery agent providing EMS service through agreement with the City of Stratford and the Town of St. Marys.

The Committee's research has indicated that there is little or no consistency by the five municipalities in dealing with disabilities within the County. In attempt to overcome this challenge, the County has assumed the Secretariat role of the Accessibility Advisory Committee. It is understood that this plan will find design challenges within the municipal environment that make it difficult to provide for those with disabilities within the County of Perth.

Administration for Accessibility Committee (AFAC)

An Administration for Accessibility Committee (AFAC) has been established with the purpose to ensure that each municipality is in compliance with the Act, and thus having a legal obligation to undertake the identification, removal and prevention of barriers in order to improve accessibility. On such issues, each municipality will obtain advice from the AAC and will then generate and bring forth such issues to the Councils.

SECTION 2: OTHER ORGANIZATIONS & AGENCIES PARTICIPATING IN THIS PLAN

The organizations participating in this plan include the County of Perth and its Member Municipalities:

Municipality of North Perth, Municipality of West Perth, Township of Perth East, and Township of Perth South

As noted in this plan, Social services are provided by the City of Stratford through agreement with the County of Perth and the Town of St Marys. The County of Perth is also the designated delivery agent providing EMS service through agreement with the City of Stratford and the Town of St. Marys. Given as such, efforts will be made to share information and collaborate with the City of Stratford and the Town of St Marys in those areas identified in this plan which are under the jurisdiction of the respective municipalities.

SECTION 3: CONSULTATION ACTIVITIES

Target Group

The target group includes any persons with a disability within the geographic area of the County of Perth.

Consultation Activities

The Accessibility Advisory Committee will attempt to reach many of the disabled groups that could provide input on the barriers that prevent them from achieving accessibility within their communities.

It is recognized that individual municipalities will have other agencies or organizations in their municipalities that they may need to consult.

SECTION 4: HISTORY OF INITIATIVES TO IDENTIFY, REMOVE AND PREVENT BARRIERS IN THE ORGANIZATION(S)

Initiatives

Perth County Council supported the Provincial initiative to move toward a province in which no new barriers are created and existing ones are removed. They proposed to develop a County-wide Accessibility Advisory Committee (AAC) with the support of the Member Municipalities following the passing of the Ontarians with Disabilities Act, 2001.

The AAC began meeting in November of 2002 and currently has determined that they will meet on a quarterly basis (4 times a year). The Act states that each year, the council of every municipality shall prepare an accessibility plan and seek advise from the accessibility advisory committee that it establishes.

Completion of the Accessibility Quotient Audit began the development of the first Accessibility Plan (2003-2004). Each municipality solicited responses from individual departments to assist in completing the Quotient Audit. Following the collection of the information, the Chief Administrative Officers (CAOs) and Clerks of the participating municipalities met to tabulate this information. The audit identified the municipality's present accessible facilities, policies, programs and services and identified some barriers to accessibility.

SECTION 5: OPERATIONAL REVIEW

Complaint Review

It is the intention of the AAC that complaints will be received in writing by the County of Perth, who in turn will forward to it to the AAC. The AAC will contact the municipality responsible to have this complaint investigated and resolved if possible. The

municipality will in return advise the AAC on how the complaint was or will be resolved. All complaints received about accessibility need to be recorded by the committee and moved into measurable goals as to whether or not the plan is working. A copy of each complaint will be contained and reported in this plan in future editions.

Operation Review

The County of Perth and its Member Municipalities have many departments, all of which may require operational reviews. These reviews present the information from the audit that identified areas in the current operations of the organization that are in need of review.

See Appendix B – 2007 Accessibility Review.

Note: in some cases, further action is pending direction through Provincial regulations and standards.

Targets and Actions

The Accessibility Quotient Audit identified some existing barriers that can be addressed within the following years. Targets will be set to help establish when these barriers will be addressed or actions taken to address preventative measures where reasonable numerous barriers and the corrective measures may be grouped together into one action. The target is the anticipated timeline for the action. A target does not necessarily have to be set within a 12-month period. The goal of the actions is to move the organization forward eliminating and preventing barriers. Resources necessary to undertake the actions are to be detailed in a way that the necessary resources may be funding for actions of merely staff time dedicated to doing the work proposed. The nature of the actions may be phased in over a number of months or years depending on the resources and priorities of the community.

For example Council should establish a capital annual budget to undertake renovations to make its facilities accessible.

This chart is a list of priorities drawn from the previous list of identified barriers and possible actions to be taken.

Review

This plan will be reviewed on an annual basis by the Accessibility Advisory Committee to update the status on these targets to all Municipal Councils.

This will allow the committee to review any new Provincial requirements that may impact the status of the targets that have been set.

Council Action Required

- Annual funding commitment to support the activities of the Accessibility Advisory Committee by all respective Municipalities. Due to Provincial requirements and regulations, this committee's work will be ongoing and will require an annual budget allocation.
- Ongoing appointment of Accessibility Advisory Committee.

APPENDIX A

Accessibility Advisory Committee Terms of Reference

DEFINITIONS

“Barrier” means anything that prevents a person with a disability from fully participating in all aspects of society because of his or her disability, including physical barrier, architectural barrier, an information or communications barrier, an attitudinal barrier, a technological barrier, a policy or practice;

“Disability” means,

- a. Any degree of physical disability, infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment, or physical reliance on a guide dog or other animal or on a wheelchair or other remedial appliance or device,
- b. A condition of mental impairment or a developmental disability,
- c. A learning disability, or a dysfunction in one or more of the processes, involved in understanding or using symbols or spoken language,
- d. A mental disorder, or
- e. An injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997

“Municipality” means the County of Perth, the Municipalities of West Perth and North Perth, and the Townships of Perth East and Perth South.

“Councils” mean the elected Councils of the Municipalities.

MISSION / OBJECTIVE

To fulfill the requirements of the Accessibility for Ontarians with Disabilities Act, 2005 by providing vision and advice to the Councils of the County of Perth and Member Municipalities to create an accessible community.

REQUIRED DUTIES

- Advise Councils annually, as required by the Act, regarding the preparation, implementation and effectiveness of the Municipalities’ annual accessibility plan.
- Advise Councils on the accessibility for persons with disabilities to a building, structure or premises, or part of a building, structure or premises, that Councils purchase, construct or significantly renovate; for which the Councils enters into a new lease; or that a person makes available as municipal capital facilities under Section 110 of the Municipal Act, 2001.
- Review in a timely manner and advise Councils on the accessibility of site plans and drawings described in Section 41 of the Planning Act.
- Advise on existing and proposed procurement processes of the Municipalities with respect to the accessibility for persons with disabilities to the goods or services being purchased.
- Perform all other functions that are specified in the regulations.
- Review matters referred to the Committee by Councils and make recommendations as appropriate.

OTHER DUTIES

- Advise Councils to address issues for the inclusion of persons with disabilities relating to the provision of transportation, housing, employment, recreation and

education in order to achieve an accessible community for persons with disabilities.

- Consult with persons with disabilities, community groups and organizations representing persons with disabilities in order to capture and communicate emerging issues to Councils.
- Refer issues, make recommendations or suggestions for action to appropriate groups, agencies, committees and organizations in the community to address barriers that affect persons with disabilities.
- Monitor, advise, consult and report findings and recommendations with respect to government directives and regulations related to the status of persons with disabilities.
- Review, as needed the terms of reference of the Perth County AAC and recommend changes. Changes must comply with AODA 2005 and require the ratification of Councils.

MEMBERSHIP

The AAC will be comprised of a minimum of seven volunteer citizen/layperson members, as appointed by Councils. A majority of the members shall include persons with disabilities representing the interests of citizens with varying disabilities. These committee members shall reflect the cross disability nature of AODA 2005 definition of "disability", but where such representation is not feasible, no volunteer will be discriminated on the said basis that they don't fit the cross disability nature requirement. Members may also include parents or caregivers of a person with a disability, or citizens at large interested in disability issues, but who may also be a person with a disability.

In order to avoid potential conflict of interest, municipal employees with disabilities are not eligible to be voting citizen/layperson members of the AAC.

REPRESENTATIVES

Staff coordinator(s) are represented in a non-voting capacity and will provide advice and resources.

LENGTH OF TERM OF APPOINTMENTS

The length of term of appointments for voting members of the AAC, after the initial term, shall be 4 years. The terms of the appointments may be staggered on a two-year period to avoid expiry of terms for all members at the same time.

MEETING CHAIR

A committee chair will be elected annually from committee members to preside over meetings and committee business.

MINUTES AND AGENDAS

Minutes will be taken and distributed by the staff coordinator. Agendas will be assembled and distributed by the staff coordinator in consultation with the Chair.

Reports of proceedings will be managed in accordance with Municipalities' records management practices.

Minutes are of public record and are posted on the County and Municipality's websites.

MEETINGS

The AAC members will determine a schedule of dates, times and location of meetings, but the Committee will meet no less than four (4) times per year.

Meetings will be open to the public except if the subject matter being considered is within a category defined in Section 239 (2) or (3) or the Municipal Act, in which case the meeting may be closed. When a matter is considered in a closed meeting, members shall maintain confidentiality of the subject matter pursuant to municipal practices.

QUORUM

A quorum shall consist of a majority, being 50% plus one, of the voting members appointed to the committee.

VOTING

Members will work toward a consensus model for decision making, if this is not possible a simple majority vote will be held.

ABSENCES

If a committee member is absent for three consecutive meetings without notice or justifiable reason, their membership will be reviewed by the Committee.

REMUNERATION

An annual honorarium of \$250.00, prorated by meeting attendance, will be provided to each voting committee member.

WORKING GROUPS

The AAC may establish, as required, working groups to research and make recommendations to the AAC with respect to specialized issues assigned to such working group by the AAC.

Working groups may draw upon members from the AAC and may include individuals who are not members, such as municipal staff, as well as outside resource members as necessary. This may include from time to time the advice or participation of individuals or organizations with a particular area of expertise.
